

## **Dengoso**

Música de Ernesto Nazareth

Letra de Gallop, Rodin e Crosby, sob o título de “Boogie Woogie Maxixe”

1ª parte

It isn't easy to pronounce it

But it's breezy when they bounce it...

Come a rockin' to the shocking boogie woogie maxixe

Danceable, romanceable and easy to teach

On the level, it will win ya

Brings the devil from within ya

It's a rowdy-dowdy rhythm that's becoming a fad

More popular than rum in Trinidad

2ª parte

From the shores of Costa Rica

To the sidewalks of Topeka

You will find it gettin' around

From the Shenandoah Valley to the Beach at Bali Bali

Like a wildfire coverin' ground

1ª parte

Try it honey, nothing to it

Bet yer money you can do it

Come a rockin' to the shocking boogie woogie maxixe

That new boogie woogie maxixe

(Transição)

Come a rockin' to the boogie

It will win ya (?)

Here's a rhythm that's out of this world
